RE: DALTON, DEHART and LOT 10 Rate Increase

Dear Morristown Parking Community:

Please be advised that we will be increasing parking rates for certain Morristown Parking Authority (the “MPA”) owned Garages and Lots effective January 1, 2024.

Due to increased operating costs as a result of the current economy, the Morristown Parking Authority (MPA) will be increasing the cost for monthly parking at the Lot 10 Facility, DeHart and Dalton parking garages. The new cost will be \$115.00 per month per access card at DeHart and Dalton Garages; and \$70.00 per month per permit at our Lot 10 Facility.

Understanding the potential hardship this price increase may bear upon some of our patrons, the MPA is happy to announce our Day Pass program. This program allows a parker to purchase an access card for either the Dehart or Dalton garage for \$90.00/month and Lot 10 for \$50/month. The Day Pass allows parking privileges between 6am and 6pm. Please note that Day Pass holders in DeHart and Dalton must exit the facility by 6pm or be charged the current hourly rate for any time stayed past 6pm. Day Parkers staying past 6pm in Lot 10 must purchase additional time either at the pay station or via “pay by phone” and will be strictly enforced.

If you are interested in obtaining a Day Pass, please email us at permits@mpanj.org.

Thank you for your patronage.

Sincerely,

Morristown Parking Authority
